**REGISTRATION:** Participants **must participate in the 5 scoring One Loft Races** and complete the registration form that the organization puts at their disposal. The participants in the Masters World Division 2020 will also participate in the different groups of One Loft Racing World League 2020, with the aim of getting a place for Masters World Division 2021. In the case that the participant does not participate in the 5 scoring One Loft Races for Masters World Division 2020, the organization can proceed to register it only in the groups of One Loft Racing World League 2020.

### COMPETITIONS:

- 1. MASTERS WORLD CUP:** It is the main competition; All races are scoring.  
Ranking of the 32 teams resulting from the sum of kilometers flown in the scoring races. In case of a tie to kilometers (very likely), it will be broken by the sum of the times in the scoring races.
- 2. TOP in FINALS Championship:** Championship of 5 races (The 5 One Loft Races Final Races). The team will obtain a point for each pigeon checked between the first 25% (of the basketed) of pigeons received in each final race. In case of a tie, it will be broken by the sum of the times of the classified pigeons. For example, if in the final race of a One Loft Race there are 600 basketed pigeons, the first 150 pigeons received will receive a point.
- 3. SPEED Championship:** Scoring Races; Short distance races of each One Loft Race.  
Ranking of the 32 teams resulting from the sum of kilometers flown in the short distance races. In case of a tie to kilometers, it will be broken by the sum of the times in the scoring races.
- 4. LONG-DISTANCE Championship:** Scoring Races; Long-distance races of each One Loft Race.  
Ranking of the 32 teams resulting from the sum of kilometers flown in the long-distance races. In case of a tie to kilometers, it will be broken by the sum of the times in the scoring races.
- 5. KNOCK-OUT Championship:** Championship of 5 rounds in Knock-out format, of teams (no pigeons).
- 6. HOT SPOT Championship:** Championship of 5 rounds, 50% of the teams (no pigeons) are classified in each round.

**NOTE:** All scoring races, for each of the competitions, will be communicated well in advance, when the 5 One Loft Races have their final bases and flight plans.

### NUMBER OF PIGEONS PER TEAM AND SCORING METHOD:

- In each of the scoring races **only the result of the best pigeon from each team will take into account.** Except TOP in Finals Championship.
- In each race, the team scores by the number of kilometers flown by his best pigeon and the time spent in each race by his best pigeon. The criterion of dead time during the night will be applied, that is, the clock will remain stopped during the night. The organization will inform sufficiently in advance the hours when the clock will remain stopped in each of the races.
- Maximum 12 scoring pigeons in each One Loft Race. In the case of participating with more than 12 pigeons in an One Loft Race, the participating team must indicate to the One Loft Racing World League organization, the 12 pigeons that will score in all the races of that One Loft Race, at most one day before the start of the first scoring race of said One Loft Race, in case of not indicating the 12 score pigeons, the organization will proceed to select them. Of course, each participating team can send and participate with the number of pigeons that they want to each One Loft Race.

**\* These rules are complemented with the Regulation One Loft Racing World League 2020.**
